

# COME CELEBRATE THE WESTERN LEOPARD TOAD 2011 BREEDING SEASON!

You worked hard this season saving our spotty friends off the road! It's time to join your fellow patrollers to celebrate another successful breeding migration.

**Who is invited?** Everyone who helped in any way to preserve the Western Leopard Toad for future generations

**When:** Thursday 3<sup>rd</sup> November

**Time:** 19h00 for 19h30

**Venue:** A spectacular ocean-facing private home at 32 Sea Cottage Dr, Noordhoek. (From Ou Kaapse Weg turn right into Silvermine. At T-junction, turn left into Noordhoek Main. After 1.5kms, turn left into Sea Cottage. Number 32 is halfway up hill on left. Phone Michelle on 0742954727 for more directions)

We will discuss the following:

- The results from the 2011 breeding season in comparison to the 2010 season.
- Who the Toad Heroes are for this year.
- The exciting projects and plans we have coming up.

*Please could you kindly bring: a plate of eats and something to drink. If you have any outstanding equipment, please return it to your Area Co-ordinator.*
